impossible

Harrier.ev
with **4WD** Dual Motor

Designed to silence doubt.

Engineered to delete limits.

Takes the unbeaten path and makes it its own.

Moves with the force of power, and the finesse of precision.

Electric, but never expected.

SUV, but never standard.

Breaks through what others back away from.

the Harrier.ev with quad wheel drive is here —

Harrier.ev is engineered to take on the impossible.
It delivers instant torque, dynamic precision,
and next-gen terrain adaptability,
redefining what an SUV means.

Whether you're cruising through the city or
pushing past the beaten track, with Harrier.ev
the power isn't under the hood anymore. It's in every move.

delete limits —

go anywhere with — Quad Wheel Drive

Quad Wheel Drive dual motor setup

All Round Control With Dual Motors

Dual motors deliver the highest torque of 504 Nm.

Boost Mode

Get a burst of torque & power and feel the acceleration as Harrier.ev reaches 0 to 100kmph in 6.3^ seconds flat.

any road, any terrain — take on all challenges with the Harrier.ev

6 Terrain Modes

Harrier.ev rules every terrain with its 6 terrain response modes.
Normal, Rock Crawl, Mud ruts, Snow/Grass, Sand and Custom

Normal

Rock crawl

Mud ruts

Snow/Grass

Sand

Custom

Off-Road Assist

Enhanced traction and control
on challenging terrains.

Multi Drive Modes

Eco, City, Sport and Boost.

delete detours — with Ultra Glide Suspension set-up

Independent multi-link rear suspension with frequency-dependent damping brings precision handling together with plush ride quality. Feel stable, no matter the surface.

Effortless Glide And Total
Comfort, No Matter Where
You Take It

go beyond maps — with high-capacity battery

Powered by a robust 75 kWh battery pack, engineered for both range and resilience.

charge fast — chase further

Up to 250▲ km of range in just 15 minutes with a 120 kW DC fast charger because waiting shouldn't be part of the journey.

get control in your hands — with Regen Paddle Shifters

Take charge of energy recovery with Regen Paddle Shifters enhancing efficiency while giving you total control on drive.

The technology in Harrier.ev unlocks new possibilities
with breakthrough digital features.

All crafted to make every drive smarter,
sharper, and unmistakably special - a new force of nature.

Tata Intelligent Digital
Architecture Layer

Our SDV foundation built on the acti.ev+ architecture is designed to seamlessly integrate safety, entertainment, and connectivity. t.idal is powered by over 500 million lines of code and cutting-edge domain controllers. Industry-first Harman™ Infotainment powered by Neo QLED automotive display, multilingual voice recognition, and ADAS with Mobileye EyeQ, to over-the-air updates and digital key integration - t.idal turns the Harrier.ev into a truly intelligent, software-defined SUV.

master every move — with e-Valet

Auto Park Assist^α:
Park like a pro. The Harrier.ev can handle parallel, perpendicular and angular parking spots with ease whether you are sitting inside it or standing outside with Keyfob. In addition, you can define your own parking spot and park anywhere.

Summon Mode^β

Bring the car to you with a tap, from tight spots or across the driveway.

Reverse Assist^γ

Confident backing with automated control, even through complex exits.

**make your presence
unlock doors —
with Digi Access¹**

Use your smart Keyfob or smartphone to lock, unlock, park, summon or start your car powered by ultra-wideband (UWB) technology.

- Digital key
- Smart card
- Remote key

**allow access from
anywhere — with
digital key sharing**

Share access remotely and stay in control smartly and securely.

command every angle — with Clear View Assist

540° Surround View⁶
Get complete visual command with a 360° HD camera and Transparent Mode.
With Transparent Mode see what's under the car.

Blind Spot View Monitor
Know what's hiding in your blind spots. The cluster or infotainment screen (as per your preference) shows it in real-time.

HD Rear View Mirror^ε
The HD rear-view mirror gives you a full, clear view and records everything, just in case.

DrivePay[®] —

India's first UPI based in-car payment. Make payments on the go right from your car's screen.

navigate every turn — with Mappls Auto[®]

Built-in navigation with Mappls Auto.
Real-time routes across both screens.

always be in control — with connected car apps

iRA.ev Connected Suite^{##}

Smart control through your phone or smartwatch^{^^} lock/unlock, charge, plan your trips and get OTA updates.

**your world on demand
— with wireless
Android Auto™
& Apple CarPlay™**

**powers more than —
just your drive**

Vehicle to load (V2L) technology***

Whether it is a drone, e-scooter or a camping experience, transform your EV into a mobile power hub.

Vehicle to vehicle (V2V) charging^^^

Share power with compatible vehicles.

Every inch of the Harrier.ev

is designed to put you in command.

Not just of the road, but of your comfort.

The Zenith Suite combines power with luxury to
create journeys that leave a mark.

From ventilated, memory-powered seats to panoramic views,
modular space, voice-activated features,
and intelligent climate control,
it adapts to your needs before you ask.
